Financing sustainable urban development in times of crisis

Next generation Rome

The Mayor's vision for Rome's transformation shall:

- Consider urban fragmentation
- Address socio-economic divide and territorial inequalities
- Drive a new economic model for inclusive and sustainable growth
- Achieve ambition of carbon neutrality
- Innovate and invest in sustainable urban mobility
- Increase quality of essential public services (mobility, waste management, primary education)

2023-2027 Unprecedented funding opportunities

- Next Generation EU (NPRR): 305 projects – 1.3 bn €
- National complementary programme – 268 ml €
- ERDF National Programme Metro Plus – 146 ml €
- ERDF Regional Programme Lazio – OP5 – 90 ml €
- ERDF/ESF Regional Programme Lazio – ongoing negotiation
- Jubilee – 200 projects – 1.2 bn €

Operational challenges

- Integrated strategic planning
- Territorial integration
- Inter-department cooperation, internal governance
- Reinforcing administrative capacity
- Integrated financial management
- Monitoring and impact evaluation

THANK YOU!
